## **Update to Cantrell Avenue Traffic Crash**

**Aug. 30, 2012**

The Harrisonburg Police Department continues to investigate an accident that took place yesterday at the intersection of Cantrell Avenue and Paul Street.

Just before 12:30 p.m. officers responded to the intersection and began assisting with a two-vehicle crash.

The preliminary investigation indicates that an adult female, who was driving a Chevrolet Trailblazer, was traveling northbound on Cantrell Avenue and attempted to turn left on to Paul Street.

As she was turning left, she collided with a Honda CRV, which was traveling southbound on Cantrell Avenue.

Four individuals were taken to Rockingham Memorial Hospital. One juvenile and the adult female driver were later transferred to the University of Virginia Medical Center, where they remain in stable condition. The other two individuals were treated and released from RMH.

The investigation did reveal that all four individuals involved in the accident were wearing their seat belts at the time of the crash.

Charges have not yet been placed as the investigation continues.
