# News Release

On 3-2-13 at 1950 hours the Harrisonburg Police Department responded to the 800 Block of Stone Spring Road for a traffic crash involving injuries. The traffic crash involved a vehicle and a moped.

The driver of the moped was transported to Rockingham Memorial Hospital, and then transferred to UVA with serious injuries. The driver of the other vehicle sustained no injuries and released from the scene.

Officers assigned to the accident reconstruction team responded to the scene, to investigate the motor vehicle crash. The motor vehicle crash caused Stone Spring Road to be shut down for approximately three and a half hours.

At the time of this media release, the driver of the moped was in critical condition at UVA. Due to the continuing investigation, the names of involved parties are not being released. At this time there are no charges placed.
