Police Goal: Safe Environment for JMU Students

The Harrisonburg Police Department will be conducting extra patrols in the Port Rd corridor over the next four weekends.

The police department's efforts began yesterday with education and awareness patrols. These patrols provided literature and door to door contacts to communicate city and state laws and community safety measures.

The additional patrols will focus on traffic enforcement and nuisance violations.

This operation is a combined community effort between the Harrisonburg Police Department, JMU Police Department, JMU Judicial Affairs, ABC and other local entities. The Harrisonburg Police Department's overall goal is to create a safe environment that reduces the likelihood for violent crimes.
