New Community Resource Officer/Crime Prevention Officer

Harrisonburg, VA – The Harrisonburg Police Department is pleased to announce the selection of the Department’s new Community Resource Officer/Crime Prevention Officer. Officer Leslie “Brooke” Wetherell was chosen for the position to replace Corporal Christopher Monahan after his recent promotion.

Officer Wetherell took over her new responsibilities on October 18, 2015 and will be working with neighborhoods and communities and working on new strategies with the community for safety and Crime Prevention measures.

One new strategy that Officer Wetherell immediately implemented was a new program, “Neighborhood Eyes,” which assists the Harrisonburg Police Department in fighting crime by identifying citizens and businesses with privately owned surveillance systems the opportunity to register their address as a location with a functioning system. The new program will provide law enforcement quick access to locations where video evidence may be present after a crime has occurred. Neighborhood Eyes will launch in mid-November.

The Community will see a lot more of Officer Wetherell in her new role with the Department.
