Harrisonburg Police Investigate Shooting

At approximately 1:30 am on Saturday, June 25, 2016 officers from the Harrisonburg Police Department responded to a call of shots fired in the area of the 100-block of North Main Street. Witnesses explained that at least three shots were fired at two individuals at the corner of North Main Street and East Wolfe Street. The shots were reported to have been fired from a gray sedan with a loud exhaust. One of the shots may have struck one of the individuals, but the extent of the injury, if any, is unknown as each of the parties involved left the scene prior to the officers' arrival. One of the potential victims reportedly left as a passenger in a blue or gray car and the gray suspect vehicle fled after the shots were fired.   Shell casings from a 9mm handgun were recovered at the scene and officers continue to investigate the incident.

The HPD is concerned for the wellbeing of the individuals involved in this incident and wishes to prevent further acts of violence.
