## Drive Sober or Get Pulled Over Checkpoints

**Harrisonburg, VA** – The Harrisonburg Police Department (HPD) will be performing traffic checkpoints around the city of Harrisonburg this evening.

These checkpoints are designed to keep drivers and passengers safe during the holiday season. Checkpoints are just one part of a special year-end “Drive Sober or Get Pulled Over” initiative. The goal is to get drunk drivers off the street and to spread the word about the dangers of impaired driving.

Follow these tips if you approach one of the checkpoints:

- Have your driver’s license ready to present to the officers.
- Follow the directions of the officers posted at the entrance to the checkpoints.
- Be cautious maneuvering in the checkpoint and drive at a slow pace.
- Do not panic or try to avoid the checkpoint.

Remember, it is never safe to drink and drive. The Harrisonburg Police Department will be looking for drunk drivers. Drive Sober or Get Pulled Over!
