HPD SWAT Provides a Special Delivery via Robot

Harrisonburg, Va - The HPD family would like to provide a positive distraction and show our residents that we are still finding ways to stay connected with our community. We have been working hard on various upcoming community events promoting the Statewide Stay at Home Order and CDC Social Distancing while engaging our community.

The video demonstration (link below) involves a lighthearted mission and somewhat of a fun distraction from current events. In this mission, HPD operators tested a ramp system to deploy the department's ICOR Mini robot to a lucky Harrisonburg family. The package to be delivered includes lunch donated by Jersey Mike's Subs, to a lucky Harrisonburg family recommended by Boys & Girls Clubs of Harrisonburg-Rockingham. This family received a much-appreciated meal, and a front row seat to what will hopefully become a beneficial initiative in the community while providing vital proficiency training for the team.

HPD will continue these missions periodically in the upcoming weeks. Stay connected to our Facebook page for more.

Stay Safe and Stay Home!
