**The City of Harrisonburg is holding a public hearing to inform the public proposing the Carlton Street Improvements Project which is located at the intersection of Carlton Street and Reservoir Street and extends approximately 300 feet in each direction.**

The project consists primarily of the intersection being converted in to a roundabout but also incorporates improvements such as sidewalk, drainage, utility relocations, and signing/pavement markings. These improvements will not only improve traffic operations but will also enhance safety throughout the corridor.

Interested citizens can preview the preliminary project plans, environmental documents and project information at the Harrisonburg Public Works Department located at 320 East Mosby Road, Harrisonburg, Virginia 22801. Interested persons should as for Mr. Andrew D. Williams, Assistant Public Works Director at 540-434-5928.

In compliance with the National Historic Preservation Act, Section 106 and CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register of Historic Places will be provided upon request.
