Attachment A: Review of pedestrians crossing on N Liberty St & Kratzer Ave

At the March 2016 TSAC meeting, the Commission discussed pedestrians crossing N Liberty and Kratzer Ave. In summary, poultry plant employees park in the parking lots at the northeast corner and cross at various places to get to and from work.

If able, Commission members are asked to visit this area prior to the April 6, 2016 meeting. It was suggested that a good time to visit the site would be at afternoon short changes between 4:30-5:30pm on a weekday. Please be bring your observations and suggestions for discussion.

Attached is a map of the area.
