

TRANSPORTATION SAFETY & ADVISORY COMMISSION
CITY OF HARRISONBURG, VIRGINIA

TO: Transportation Safety & Advisory Commission Members

FROM: Ian Pike, Transportation Systems Specialist

DATE: Wednesday October 5, 2016

RE: Transportation Safety & Advisory Commission Agenda for Wednesday, October 12, 2016

The Transportation Safety & Advisory Commission will meet on **Wednesday, October 12, 2016 at 8:30AM in Room 011 of City Hall, 409 S Main St.**

Commission meetings are open to the public and citizens are provided the opportunity to voice their views/concerns about any item before the Commission. It is the policy of the Commission to move relevant agenda items to the beginning of the meeting when citizens are in attendance to avoid detaining them for the entire meeting.

Welcome

Business

- 1. Sight Distance at Campbell St/S Mason St Intersection**
- 2. Speeding on Clay St (See Attachment A)**
- 3. Pedestrian Fatality on N Main St**
- 4. Close Calls with Buses in Bike Lanes**

Other Business/ Announcements

- 1. Joint meeting with Bicycle & Pedestrian Subcommittee**
- 2. Request for presentation on HPD's Data Driven Approach to Crime and Traffic Safety (DDACTS)**

Adjourn

Attachment A:

In late September 2016, a citizen expressed their concern to Public Works that vehicles on Clay St are speeding and miss the turn at Allegheny Ave, turning around in their private driveway since the church parking lot is closed.
