

ADDENDUM #2
RFP NUMBER: 2014028-PU-P
North River Pump Station Motor Replacement RFP
PROJECT 473-12-13
CONTRACT 3

DATE: February 14, 2014

TO: All Potential Proposers

City of Harrisonburg's North River Pump Station Motor Replacement RFP (2014028-PU-P), is modified as follows:

1. Question: Regarding the existing motor, and/or, pump base--what are its dimensions to make sure our motor will match up, or do we need to fabricate a mounting plate?

Answer: Information on the existing pump head and motor characteristics is provided in the Appendix A1 of the RFP (page 26 of the RFP lists existing pump and motor information), additionally photographs of the current configuration are provided in Appendix A1. The RFP requires the motor provider to provide any required adapter flanges and mounting hardware associated with the new motors. There is a mandatory requirement for the Provider to visit the station and confirm installation requirements prior to ordering the motors and any required mounting adapters.

End of Addendum No. 2

All other requirements, terms and conditions of the RFP remain unchanged.

Addendum page must be signed and returned with your proposal to acknowledge receipt of this addendum.
