

ADDENDUM #1
RFP NUMBER: 2014030-IT-B
Banking Services RFP

DATE: February 4, 2014

TO: All Potential Proposers

City of Harrisonburg's HP Networking Equipment ITB (2014030-IT-B), is modified as follows:

1. Question: We would just like to verify that this bid is strictly for hardware equipment, and that the city of Harrisonburg will be installing their own equipment?

Answer: Yes.

2. Question: Would there be a requirement for standard or beyond long term 3-year systems warranty?

Answer: All switches except for the 7506 have full lifetime warranties. We are only quoting for a 1 year care pack for the 7506. Renewals of the care pack would be out of the scope of this request.

3. Question: What there be a requirement for professional services to come on-site to install and support implementation?

Answer: No.

4. Question: What there be a requirement for support services aside from manufacturer standard agreement?

Answer: No.

All other requirements, terms and conditions of the RFP remain unchanged.
