

ADDENDUM #3

ITB NUMBER: 2014016-PW-B

Two Refuse Trucks with Snow Plows ITB

DATE: December 10, 2013

TO: All Potential Bidders

1. Question: On page 11, specification #12 requires an 11R22.5 tire. I found this is not compatible with the truck being GVW at 37,000lbs. Will a 12R22.5 tire be acceptable?

Answer: Yes, the 12R22.5 will be an optional allowable size for tires.

All other requirements, terms and conditions of the ITB remain unchanged.
