

ADDENDUM #2

ITB/RFP NUMBER: 2015046-PW-P

On-Call Term Contract for Consulting Engineering Firms RFP

DATE: June 12, 2015

TO: All Potential Bidders/Offerors

City of Harrisonburg's On-Call Term Contract for Consulting Engineering Firms RFP, is modified as follows:

1. Question: Will this contract will include underground utility designating (surface marking) and utility locating (test pitting)?

Answer: Subsurface Utility Exploration (SUE) may be needed, but it would be included as service within a Group. The City's intent is to award Groups to a single "prime" consultant, and that consultant would include as part of their team a SUE firm if they wish to.

All other requirements, terms and conditions of the ITB/RFP remain unchanged.
