

ADDENDUM #1
ITB/RFP NUMBER: 2016023-PW-B
Dump Truck ITB (Re-Bid)

DATE: November 25, 2015

TO: All Potential Bidders/Offerors

City of Harrisonburg's Dump Truck ITB (Re-Bid), is modified as follows:

Question: In the Specifications (Attachment A), item 1 requests a 37,000 GVW Rating with a 14k Front Axle and a 26K Rear Axle, however when you go down the list to item 51 it requests a 12k Front Axle and a 23K Rear Axle. The spring packs added will not increase the GVW of the truck and will not be recognized by State DOT officers. Can you clarify what GVW standards you are looking for in this vehicle?

Answer: Please omit items 48 through 51 from the Specifications list (Attachment A).

All other requirements, terms and conditions of the ITB/RFP remain unchanged.
