

ADDENDUM #3
ITB/RFP NUMBER: 20170013-PW-B
Bluestone Trail

DATE: November 10, 2016

TO: All Potential Bidders/Offerors

City of Harrisonburg's Bluestone Trail Extension ITB, is modified as follows:

BIDS WILL BE OPENED AND READ ALOUD IN ROOM 237 AT CITY HALL (Room Change)

1. Question: I believe an existing communication line is located in the vicinity of the new proposed trench vault extension. Can you tell us if this line is in conflict and who would be responsible for bearing the cost of relocating the line if in conflict with new structures? With this being unknown communication lines that could be fiber or many different systems the contractor would have no way of knowing the expected cost to relocate the line if in conflict. How is this item to be viewed?

Answer: See as separate attachments the plan sheet showing the relocation of the Telecom line that will be encased in concrete, the Telecom Ductbank Detail, and an updated Bid Tab with a new line item (Line 70) for that work.

All other requirements, terms and conditions of the ITB/RFP remain unchanged.

Addendum page must be signed and returned with your bid/proposal to acknowledge receipt of this addendum.
