=====  
 Unlisted classifications needed for work not included within  
 the scope of the classifications listed may be added after  
 award only as provided in the labor standards contract clauses  
 (29CFR 5.5 (a) (1) (ii)).

-----  
 The body of each wage determination lists the classification  
 and wage rates that have been found to be prevailing for the  
 cited type(s) of construction in the area covered by the wage  
 determination. The classifications are listed in alphabetical  
 order of "identifiers" that indicate whether the particular  
 rate is union or non-union.

Union Identifiers

An identifier enclosed in dotted lines beginning with  
 characters other than "SU" denotes that the union  
 classification and rate have found to be prevailing for that  
 classification. Example: PLUM0198-005 07/01/2011. The first  
 four letters , PLUM, indicate the international union and the  
 four-digit number, 0198, that follows indicates the local union  
 number or district council number where applicable , i.e.,  
 Plumbers Local 0198. The next number, 005 in the example, is  
 an internal number used in processing the wage determination.  
 The date, 07/01/2011, following these characters is the  
 effective date of the most current negotiated rate/collective  
 bargaining agreement which would be July 1, 2011 in the above  
 example.

Union prevailing wage rates will be updated to reflect any  
 changes in the collective bargaining agreements governing the  
 rates.

0000/9999: weighted union wage rates will be published annually  
 each January.

Non-Union Identifiers

Classifications listed under an "SU" identifier were derived  
 from survey data by computing average rates and are not union  
 rates; however, the data used in computing these rates may  
 include both union and non-union data. Example: SULA2004-007  
 5/13/2010. SU indicates the rates are not union majority rates,

LA indicates the State of Louisiana; 2004 is the year of the survey; and 007 is an internal number used in producing the wage determination. A 1993 or later date, 5/13/2010, indicates the classifications and rates under that identifier were issued as a General Wage Determination on that date.

Survey wage rates will remain in effect and will not change until a new survey is conducted.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
