ITB/RFP NUMBER: 2022012-CM-P
Development Study RFP

DATE: June 9, 2022

TO: All Potential Bidders/Offerors

City of Harrisonburg's RFP, is modified as follows:

1. Question: Regarding Section 3.0 - Scope of Work - #4 states the need for Building Elevations. Is the City looking for architectural renderings or side elevation views of various product types for this request?

Answer: While building elevations and site layouts must be included, architectural renderings & side elevation views of various product types are not required.

If a bidder thinks renderings will add meaningfully to the overall product, offerors may price it out as a separate component.

All other requirements, terms and conditions of the ITB/RFP remain unchanged.
