**Report of Director of Elections**

**The Director of Elections, Debbie Logan, reported that [4] of the [5] Presidential Ballots mailed from the city office have been verified and the voters received the proper ballot. The fifth ballot was mailed to a voter that has since moved and there is no way to contact them to verify the ballot was received by the voter due to a change of address.**

**A second call was made to Printelect, the company that is responsible for printing the ballots, by Logan to Paul Simon to verify and double check the correct printing of the 30,000 full ballots received by Logan for Harrisonburg Voters. The ballots were printed by off-set printing and Logan was assured the ballots would be free of error.**

**After Printelect was once again contacted, it was concluded that the ballots the city is currently in possession of are printed correctly.**

**Ney made a motion to accept the correctness of the ballots and all board members voted in favor.**

**Per Logan, the training booklets for the 'Election Officer Training Sessions' are completed.**

**The board recessed for lunch at 11:50 a.m.**
