INSTRUCTIONS

As stipulated in § 58.1-3518 of the Code of Virginia, it is the responsibility of every taxpayer who owns, leases, rents, or borrows tangible personal property that was used or available for use in a business and was located in Harrisonburg, Virginia, on January 1, 2023, to report such property on this return. *If you acquired and/or capitalized any property on January 1, 2023, this property will be assessed at 90% of the cost. Include the cost and assessed value in the totals for sections 1 and 2. Please make a notation on the "Total" line that these assets are included there.*

This property must be reported in Section 1, 2, or 3 of this return, and is not limited to, but must include, personal property that has been expensed or fully depreciated on a federal income tax return. Any assets less than \$25 do not need to be included. **DO NOT REPORT MOTOR VEHICLES, TRAILERS, BOATS, MANUFACTURED HOMES, OR AIRCRAFT ON THIS RETURN.**

Property must be reported at its **actual cost** before any allowance for trade-in or depreciation. The cost figures must be reported on a **calendar-year basis**.

IF YOU OWN NO BUSINESS TANGIBLE PERSONAL PROPERTY, YOU MUST STILL FILE A RETURN; please enter "NONE" in Sections 1 and 2 of this form and *provide an explanation as to how your business is conducted without the use of property.*

Section 1 – Report in this section the cost of all tangible personal property that is owned or being paid for by installment payments by the taxpayer filing this return. This section is, in general, reserved for such personal property as furniture, trade fixtures, office machines and equipment, tools, and some leasehold improvements. Also report in this section all types of fixed and portable signs (banners, directories, plaques, etc.). Do not report in Section 1 computer equipment (as defined in Section 2), certified short-term rental property or personal property that is leased, rented, or borrowed from others.

Section 2 – Report in this section the cost of all home/office or mainframe computer equipment that is owned or being paid for by installment payments by the taxpayer filing this return. This section is reserved for computer hardware, peripheral equipment, and operation software (e.g., Microsoft Windows). **DO NOT INCLUDE APPLICATION SOFTWARE** (e.g., Microsoft Word and Excel). **Leasing companies** that manufacture the personal property that is required to be reported in Sections 1 or 2 must report the commercial retail selling price new for which the property would be sold if it were available for sale. The selling price should be entered on the line corresponding with the year in which the property was manufactured. Those companies that purchase the property that is being reported must enter in Section 1 or 2, as appropriate, the original purchase cost on the line corresponding with the year in which the property was purchased.

NOTE: An explanation **must** be provided with this return if there is a difference between the reported yearly cost figures shown in Sections 1 and 2 of this return and your 2022 return.

Calculate the assessed value of the property reported in Sections 1 and 2 by multiplying the cost figures by the assessment percentages listed. Total the assessed values in Sections 1 and 2 and enter the result in the box provided below Section 2.

Section 3 – Report in this section all tangible personal property that is leased, rented, or borrowed from others as required by §58.1-3518 of the Code of Virginia. Please review the terms of each lease to determine if it is a true lease. A "lease-purchase" ("capital lease"), usually non-cancelable and characterized by a nominal (often \$1.00) buyout provision, is actually a financing arrangement and should be reported in Section 1 or 2, not in Section 3. Please call this office if you have any questions. Please enter "None" if this is not applicable.

LATE FILING PENALTY – A late filing penalty of 10% will be imposed if this return is not filed or postmarked by March 31, 2023.
