 HDPT has added these descriptors to our schedules for your ease of travel.
 They indicate popular destinations along each Route.

Letters designate a timepoint stop. Timepoint stops keep our buses from running early.
 For example: Charleston Townhomes is marked above at X:07, X:22, X:37, & X:52.
 This means the bus arrives every hour at 7, 22, 37, and 52 minutes after the hour during regular hours.
- 5

Departure times are posted for each timepoint stop. This is the earliest a bus will depart from a given stop.
- 6

Regular stops are posted along each route.
 Stops are identified by their name and the 3-digit number next to them in the All Stops list.
 Headers show the street/area where stops are located.
- 7

- 8

Letters on the all stop list correspond to the timepoint stops for ease of reading and navigation.
