WESTOVER POOL: Summer Safety

WHO IS WATCHING THE WATER?

Do you know what it takes to become a lifeguard?

Each lifeguard candidate must pass a series of prerequisites before being able to take a lifeguarding course. Once in the course, they learn the necessary steps to take to prevent drownings, how to rescue in the water, what to do when there is an emergency on land, and participate in simulated rescue scenarios. Once completed, they will have the knowledge, skills and abilities to help provide a safe environment for you to enjoy.

Our lifeguards will continue to go through regular training throughout the summer months, but they are the last, best defense against drowning. You can help us keep you safe during your visit by making sure there is always someone responsible for the young or weak swimmers in your group. Being engaged with your group means your phone is away and you are actively participating in the fun. Helping us means you enforce rules within your group such as staying in places where weak or non-swimmers are comfortable, keeping stairs clear of toys and trip hazards, taking breaks to use the restroom and cleaning your space before you leave to prevent pest issues.

10 TIPS FOR A BETTER POOL VISIT

At Westover, we want you to have the best pool experience! Here are our 10 tips to a great visit:

1. Watch your kids around water. Weak swimmers or swimmers in flotation devices should be kept within arms reach of an adult! www.safekids.org
2. Don't just pack it, wear your jacket! We recommend USCG approved flotation devices.
3. Enroll kids in swim lessons or learn to swim yourself! www.harrisonburgva.gov/parks-recreation
4. Make sure you and your kids know the limits; i.e. how deep before the water is up to the chest, eyes, etc. and set those boundaries.
5. Before going off the diving board or climbing the rock wall, feel free to request a swim test. Most of our saves happen in the diving well.
6. Wear your sunscreen and sun protection clothing.
7. Clean up your space. Snacks and non-alcoholic beverages are allowed as long as you throw away your trash and ensure no glass containers are brought in.
8. Respect other guests by considering the language you use and the behaviors you display. We reserve the right to ask any guest using foul language or rude behavior to leave the facility.
9. Check the weather. In the event of weather or other unexpected closures, refunds will not be offered.
10. Finally, choose swimsuits in bright colors: yellows, oranges, greens and reds. Avoid white, black, grey and blue hues. www.alive-solutions.com

5 POOL SAFETY FACTS

1. Lifejackets should have a snug fit and not come up to the ears when tightened properly.
2. Walking on the pool deck is always a safe bet.
3. Take breaks from the fun! Taking breaks gives everyone time to have a snack, reapply sunscreen and use the restroom.
4. Catch is great but leave the leather balls at home, and opt for softer throwables.
5. Don't fake it. Long breath holding is dangerous and pretending that you need help is no fun.

BE OUR GUEST!

There are two ways you can enjoy a visit on us!

1. We will occasionally ask you to help us with training. We want to know how well we are doing and how we can do better. We may ask you to evaluate our team based on a questionnaire or activity. When the questionnaire or activity is completed, we will give you a pool pass good for one free visit through September 1!
2. Wear a brightly colored swimsuit! On Mondays, we will have a random swimsuit color selected. If your swimsuit matches our color and you are among the first 10 guests wearing that color, you will win a pass good for one free admission through September 1! Pro tip: we like bright colors and contrasting patterns!
