YOUTH & TEEN FITNESS

NEW!

Afterschool Teen Workouts

Teen Afterschool Workouts is a free 6-week fitness program designed for all 6th–12th graders. This program provides teens with a positive and structured afterschool activity that promotes physical fitness, confidence, discipline, and healthy habits.

Participants do not have to be athletes to join. This program is a great opportunity for fitness beginners, teens interested in becoming stronger or faster, or those simply looking for a fun and active way to spend time after school. Workouts will include age-appropriate exercises that challenge participants both physically and mentally in a supportive environment.

Sessions will be led by a certified instructor and will take place on Mondays and Wednesdays from 2:30pm to 3:30pm for 6 weeks. Registration is free, but early registration is recommended.

Youth Fitness Boot Camp

A positive, high-energy program designed to help students build strength, discipline, confidence, and perseverance. Through structured physical challenges and motivational guidance, participants will learn the value of hard work, accountability, teamwork, and making positive choices at home, in school, and in the community. This once-a-month program is great for athletes looking to improve and for students who just need an extra boost of encouragement, structure, and support.

We will meet the second Saturday of the month.

TEENS PROGRAMS

NEW!

(The B.U.I.L.D Team) Building Up Innovation, Learning & Development

Calling all future engineers, architects, managers, creatives, business owners, and tech professionals! Middle school students are invited to join an engineering competition team where they will design and build a futuristic city while learning valuable skills in project management, teamwork, critical thinking, public speaking, and problem solving. Participants will have a chance to get rewards and compete at a regional and possibly national level while exploring innovative solutions to today's sustainability issues, practice public speaking, answering judge questions, and building confidence under pressure. This competition-based program may include guest speakers, possible travel opportunities, and a vlog component where students document their experience. The program meets once a week on Wednesdays from 5pm to 7pm. Each child must be registered.
