The semester will be devoted to the concert, and we strongly urge that each child participate in the concert and regularly attend class. A costume must be ordered for each dancer for each class. The costume will be selected by the instructor and will cost between \$35 and \$80 depending on the size and style. Every effort will be made to select the least expensive costume while assuring the costume aligns with the choreography, music, and size. Costumes are not custom made and may be made smaller or larger in size depending on the costume companies' available stock. Parents may be asked to adjust their child's costume. Call times, costume necessities, and other concert information will be distributed at a later date. By signing either section below, students and guardians agree to abide by all policies and behavior clauses set forth by the dance program and Parks and Recreation.**
