

Pistol Shoot-Off

COURSE:

- Double elimination tournament.
- 6 vs. 6, head-to-head shooting plate rack and mini popper.
- One shooter from each team will start on concrete at 25-yard line.
- On go command, shooters will move forward to a shooting box and engage 6 steel pie plate and the mini popper on their side.
- Shooters will remove a can from a post in the shooters box with **both hands**.
- Shooters will not draw their pistols until they are in the box and the can has been removed from the post with **both hands**.
- The shooter that knocks down all 7 targets first will be the winner and move to the next round.
- Winner may keep their pistols loaded for the next round; losers will unload their pistol.
