This map provides information to help students find the best route to bike or walk to school. Local authorities are not responsible for students while they travel to/from school.

QUICK TIPS WHEN WALKING OR BIKING TO SCHOOL!

1. Get to know your route before - test your route to understand how to best get to school. Routes vary based on terrain, hills, and comfortability, so consider whether biking or walking is the best method. Be a walking or biking role model by understanding safe practices and procedures.
2. Consider organizing or joining a walking/biking school bus in your neighborhood for added, safety, supervision, and fun!
